New gym to open in the city centre

A 24-hour gym will open in Bradford city centre next week.

Easygym will open on the first floor of the Xchange development of shops, restaurants and flats, opposite The Broadway shopping centre, in the former Arndale House.

The chain has spent £1 million refurbishing the space, and has announced the gym will open on Monday, August 14.

The gym will be open for 24 hours a day, seven days a week.

The floors above the gym are being converted into 98 apartments.
