## MORE GET TO CHECK OUT EASY

**THE EASYHOTEL chain announced yesterday it is making "good progress" as it revealed plans for further growth.**

The "super-budget" brand is currently working on new hotels in Ipswich, Birmingham, Liverpool and Manchester.

All are due to open in the coming months.

Sites in Sheffield and Leeds are also due to follow next year.

The chain is part of the EASYGROUP owned by EASYJET founder Sir Stelios Haji-ioannou.

It also has permission for a 204-room hotel in Barcelona, Spain.

It owns some of its hotels, while others, particularly those outside the UK, are run as franchises.

Boss Guy Parsons said its owned hotels "have continued to outperform the general market".
