## JET CLASH VOTE

THE founder of **EASYJET** has demanded a vote on the future of one of its directors in a row over a £4.5billion aircraft order. **Sir Stelios Haji-ioannou's** easyGroup has requisitioned a meeting of shareholders to decide whether to remove Andreas Bierwirth from easyJet's board. It follows a threat from Sir Stelios – the airline's biggest shareholder – to start sacking directors if easyJet did not take steps to cancel its order of 107 aircraft from Airbus. The Luton-based carrier grounded all its planes earlier this week in response to the coronavirus pandemic.
