## EasyJet founder's sue threat

EASYJET'S founder has threatened to personally sue executives at the firm if it spends "a penny" on a £4.5billion order with plane manufacturer Airbus and fails to repay its £600million Government loan on time.

Sir Stelios Haji-Ioannou renewed

his demands yesterday for the company to remove chief finance officer Andrew Findlay to "stop him from signing any more billion-pound cheques".

EasyJet has grounded all of its 330 planes as demand for flights collapsed.
