NEWS IN BRIEF

Easyjet inquiry demand

Sir Stelios Haji-Ioannou, the founder and 34 per cent shareholder in Easyjet, has formally called on the Financial Conduct Authority to investigate the airline over a breach of listing rules and market abuse regulations concerning its continued commitment to spend billions of pounds on dozens of new aircraft. Sir Stelios, 53, said that he would take an injunction against the regulator if it did not act. Sir Stelios's Easyjet stake is worth more than £900 million.
