## NEWS IN BRIEF

### Checkout at Easyhotel

Easyhotel is to be delisted after Sir Stelios Haji-Ioannou agreed to fall in with the wishes of its majority shareholders. The budget hotel group, which Sir Stelios floated almost six years ago at 80p a share, received a recommended 95p-a-share takeover bid last year from two property companies. Sir Stelios, 53, refused to sell his 25.8 per cent stake. Yesterday he voted in favour of cancelling its listing after concluding that the cost outweighed the benefits.
